

As we placed in our by-laws, one goal of charging Regional Dues is to send 2 students to WLC. This year we had struggled with getting the dues in needed to cover operating expenses. Knowing that this is later than the ideal time to register for WLC, we feel that it is still necessary to offer this to our members that have paid regional dues. This will be a quick turnaround and the winners should be announced on April 14<sup>th</sup>.
