

East TN FFA Leadership Workshop Series

First virtual leadership workshop this Thursday and Saturday!

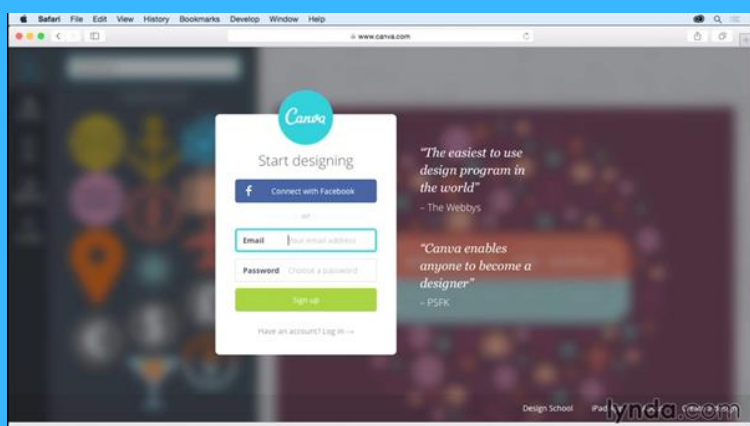

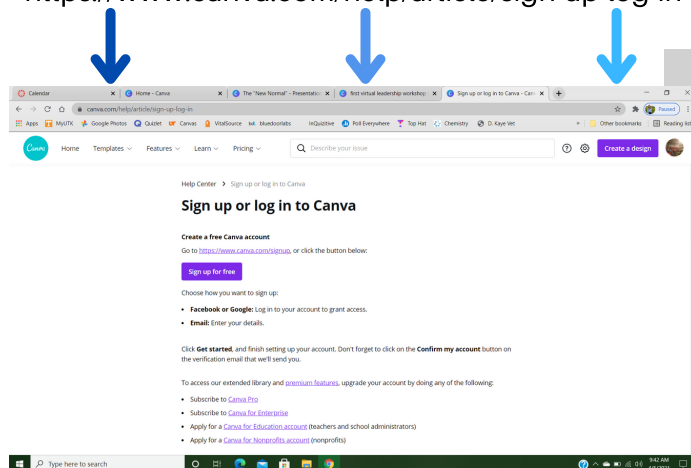

This first series will focus on leadership at the chapter level! One of the mini-workshops hosted by two of our regional officers will be focusing on social media outreach, and a large component of this mini-workshop will be teaching students how to create interesting and beneficial digital designs.

Students must sign up for a **FREE** Canva account!

Please use these directions to have your students sign up for Canva! This is essential to their participation in the mini-workshop!

Detailed directions can be found by visiting:
<https://www.canva.com/help/article/sign-up-log-in>

1. Students may search "Canva" on Google.
2. They can then select "Sign Up."
3. They will be brought to a page similar to the one shown.

4. Students should use a personal email to sign up and create a unique password.
5. The option to create an account with Google is easiest.
6. Once the account is created, students are prepared for the mini-workshop. They will receive further directions during the workshop.
